

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner requested that claims 8-21 be cancelled - as drawn to a non-elected invention - in order to place the Application in condition for allowance. Additionally, Examiner asked for Mr. Bhattacharya's permission to change the Title to "Sheet Tobacco" - since process and system claims are not presently being patented. Mr. Slattery agreed to all changes, and requested that it be made of record that claims 8-21 are cancelled without prejudice to or disclaimer of the subject matter contained therein. Such has been noted and the appropriate changes have been made pursuant to the attached Examiner's amendment.
